

ESPLANADE MARINA
DIRECT DEPOSIT CANCELLATION

I formally request that Esplanade Marina Association and Iberia Bank cancel my Auto Draft deduction for the quarterly assessments.

I understand that it is the owner's responsibility to ensure that payment is made on a timely basis.

I also understand that the Association fees are payable on a quarterly basis, are due on January 1st, April 1st, July 1st, and October 1st, and that late fees will be assessed after the 10th.
